Appendix

YING LI INTERNATIONAL REAL ESTATE

6

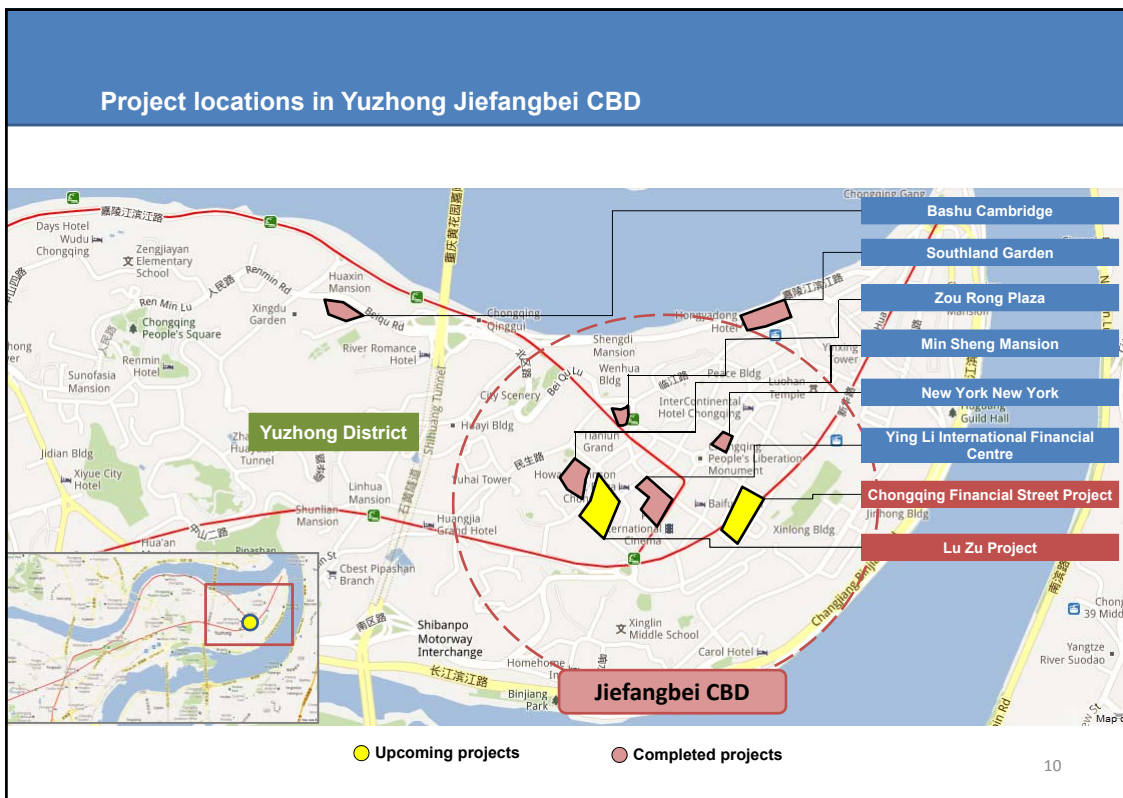

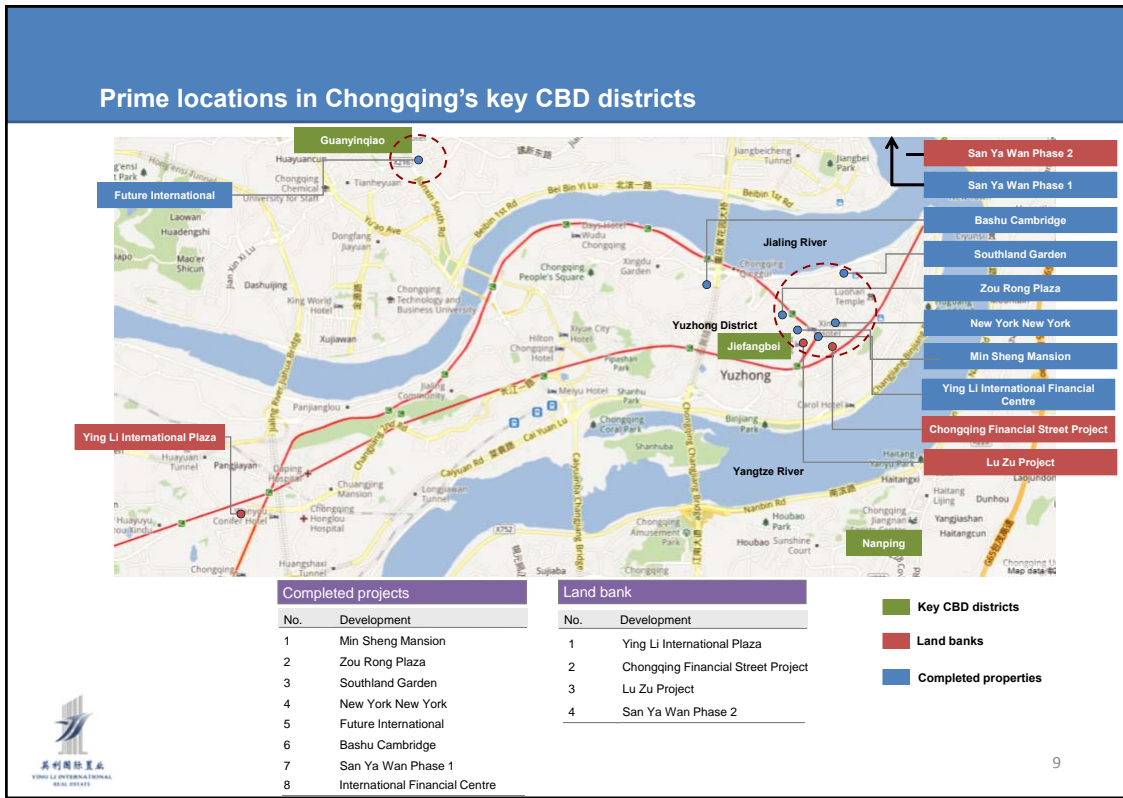

Key Investment Highlights

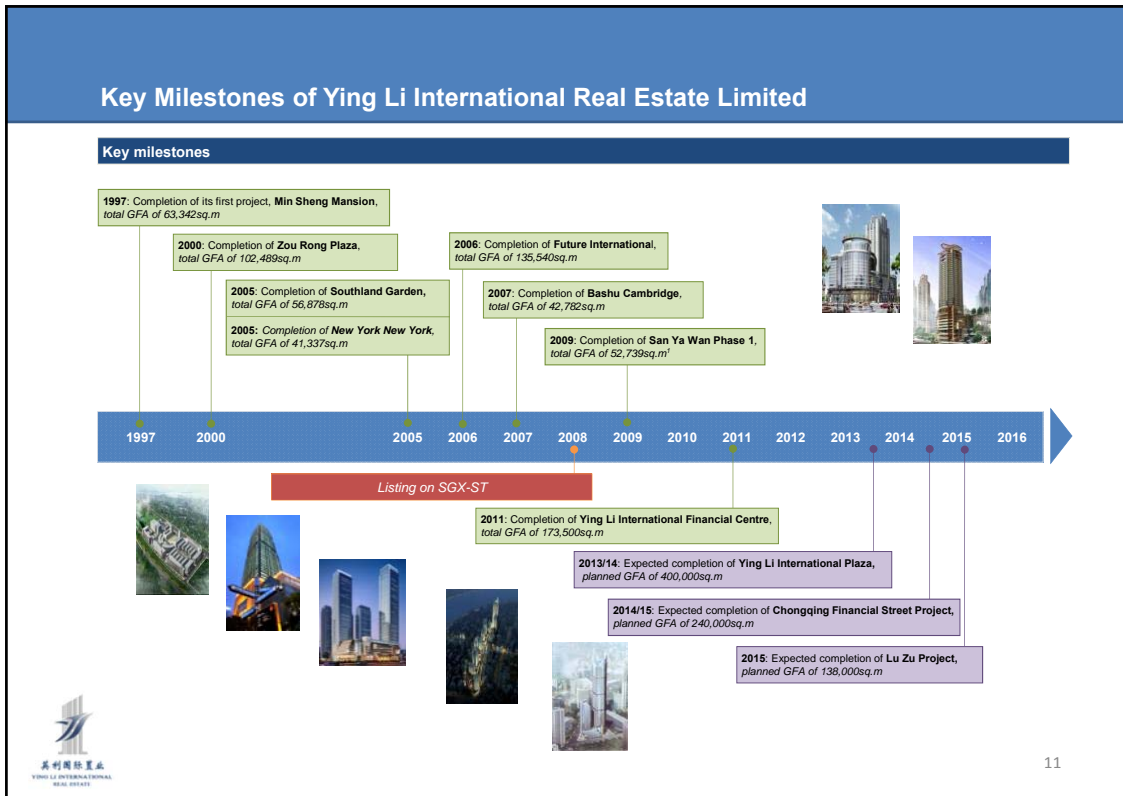

- 1 Less affected by the current tightening measures being a CBD commercial real estate developer
- 2 Well-positioned to tap on the rapid growth of Chongqing City, fastest growing China city in 2011
- 3 Expected strong cash flows from premium quality pipeline projects

Prime locations in Chongqing's key districts:
Extensive access to prime land – Properties are located within Chongqing prime districts

...Over the years, we have also proven to be the leading CBD urban renewal developer in Chongqing

Old city landscape

Chongqing terrain is unique

- Area is heavily built up, with very old buildings
- Only way to develop prime land is through urban renewal

Guanyinqiao BEFORE urban renewal

Urban renewal process

Resettlement is an extremely costly and tedious process for many developers

- High barriers to entry

Requires close working coordination with various public departments

First mover advantage

- Successfully completed 8 prime properties in Chongqing, through urban renewal
- Well-positioned to leverage on its experience and network in the local market

Transformed city landscape

Successfully modernized Chongqing's landscape with iconic skyscrapers

- Active efforts by the government to revamp the city centres of Chongqing

Guanyinqiao AFTER urban renewal

12

Chongqing – A Leading Investment Destination

- Increasing shift of interest to Chongqing as coastal cities such as Shanghai and Guangzhou faces rising costs and labor shortage
- Chongqing, named by "Forbes" as one of the World's Fastest Growing Cities for the next decade, offers a healthy alternative to coastal megacities
- Currently China's largest municipality with a population of over 30million people, Chongqing government has targeted to increase urbanization rate from the current 28 percent to 70 percent by 2020
- Favorable "Go West" policies coupled with Liangjiang New Area and tax-free zone have attracted both international and domestic companies such as ANZ, Citibank, Deutsche Bank, HSBC, RBS, Standard Chartered, Microsoft, Paypal, Acer, HP, Foxconn, Ford and Volvo to initiate or increase investments into the Chongqing economy
- As at 30 Jun 2012, FDI in Chongqing reached USD 3.51billion and registered an increase of 20.1% y-o-y

Chongqing FDI increased 20.1% in 2Q 2012
