Query

It was disclosed that the RMB 9.7 million (56.5%) increase in “Administrative Expenses” was “mainly due to an increase in upfront and professional fees incurred due to an increase in the number of new loans drawn down and issuance of bonds in 2QFY2016 compared to 2QFY2015”. Please quantify and explain the significant “upfront and professional fees” incurred, providing a breakdown where applicable.

The Group had drawn down two new loans and issued a 3-year private bond in 2QFY2016.
