- (c) according to the Civil Complaint, other than the relevant value with respect to the Plaintiff's claim for the restitution and compensation of the properties and related litigation losses (the amount involved in the relevant properties and related litigation losses is yet to be ascertained), the claimed amount of the subject matter is stated to be RMB 567,279,276; and
- (d) the Plaintiff also applied for the Company and the Subsidiaries to be jointly liable for restitution, compensation and assisting in execution obligations.

2.2 In this regard, the Company understands from CEL's announcement dated 11 November 2024 that the Sale was legally completed through the Singapore stock exchange, being a public trading market and that CEL continues to firmly believe that the allegations by the Plaintiff are without merit.
